The idea about CT & Crohns sounds totally awesome! We can certainly talk about it, and I think Dr. Shapiro would love to talk with you. His email is

Deane Shapiro <dhshapir@uci.edu>

If you email him, say that you know me & have worked with me on the project at Temple and that you're going to be moving to Orange County, CA.

I'm having a phone conference with him in a little while (7:30 tonight). I'll fill you in on that later.

:) Beth
